You can feel comfortable at Casa de Frutas knowing that whatever you need during your stay will be taken care of by Mauricio. As one of guests remarked "He knew what we would need before we even asked". TULEMAR GARDENS RESORT Tulemar is exactly where you want to be in Manuel Antonio! It is the only gated and secure, 33 acre resort development in Manuel Antonio with its own private beach. There is nature and hiking trails leading thru the jungle areas complete with plaques describing trees and vegetation. You will see as much wildlife in Tulemar as you do at the national park including all three types of monkeys, sloths, exotic birds, insects and other wildlife. The private beach is perfect for swimming and snorkeling and has free lounge chairs, umbrellas, sea kayaks, and boogie boards for all guests to use. Tulemar's private beach was also proud to have just received the prestigious "Blue Flag" award (Programa Bandera Azul Ecologica) signifying pristine water and beach area, and environmentally/ecologically protective practices.
